YOUR DAY, STEP BY STEP

Early players & late players

EARLY

Register → Warm up → Golf → challenges → Presentation

Arrive at least 30 minutes before your tee time and report to your tee 10 minutes before play. Nearest the Pin and Beat the Pro run during the round. Afterwards, head to the Long Drive and Putting Challenges, then join everyone for the presentation.

LATE

Register → Challenges / Warm-up → Golf → Presentation

Arrive around 40 minutes before your tee time. Complete any Long Drive and Putting Challenges you wish to enter before your round, then report to your tee 10 minutes before your allocated time.

Important for late players: challenges can't be attempted after your round, as this would delay the presentation. Please take part before teeing off.

Estimated target — once all rounds are complete

Everyone back together for the Kingsway opening presentation, competition and challenge winners.

This is an estimated target — the presentation begins once all players have completed their rounds.

All parents and families are very welcome — support your golfers, join the challenges and stay for the finish. We'd love to see as many GSL families together as possible.

THANK YOU

WE’RE LOOKING FORWARD TO MEETING YOU ALL
