GOLFSTARS x KINGSWAY

A new chapter for junior golf at Kingsway

Who we are, what your child can expect, and an **invitation to our free Special Opening Event.**

SUNDAY 8 NOVEMBER · 12PM–4PM · FREE

OUR MISSION

At the heart of Golfstars is a **simple ambition**

> ***To help every young golfer fall in love with the game and discover where it could take them.***

That journey will be different for every child — from enjoying golf with friends and family, to building confidence and lifelong friendships, or even competing at the highest level. That means making golf more accessible, taking it into schools and communities, and creating welcoming pathways into golf clubs.

WELCOME TO THE GOLFSTARS FAMILY

Kingsway juniors, your journey continues – with more to look forward to

1 Building on What They Love

The friendships, confidence and skills your child has developed at Kingsway remain at the heart of everything we do. We're here to build on those foundations and keep the enjoyment going.

2 A Pathway to Progress

Alongside regular coaching, our structured Golfstars pathway introduces exciting challenges, achievements and Gamedays, helping children put their new skills into practice on the course.

3 Making the Next Step Easy

Kingsway's existing juniors will have priority when joining our regular sessions. We'll guide families through the next steps, with classes beginning after our Open Day on 8th November.

PATHWAY

From first swings to confident course play

Risingstars builds the basics; Golfstars turns skill into independent play.

risingstars

Build confidence with skill & focus

The Risingstars pathway is the first four levels of the programme, designed to build confidence, skill, focus and on-course readiness.

LEARNING THE GAME

LEVELS 1–4 · BRASSIE → CLEEK

golfstars

Performance, scoring and full course golf

Players learn to play with greater independence — helping them become confident golfers who can enjoy the game for life.

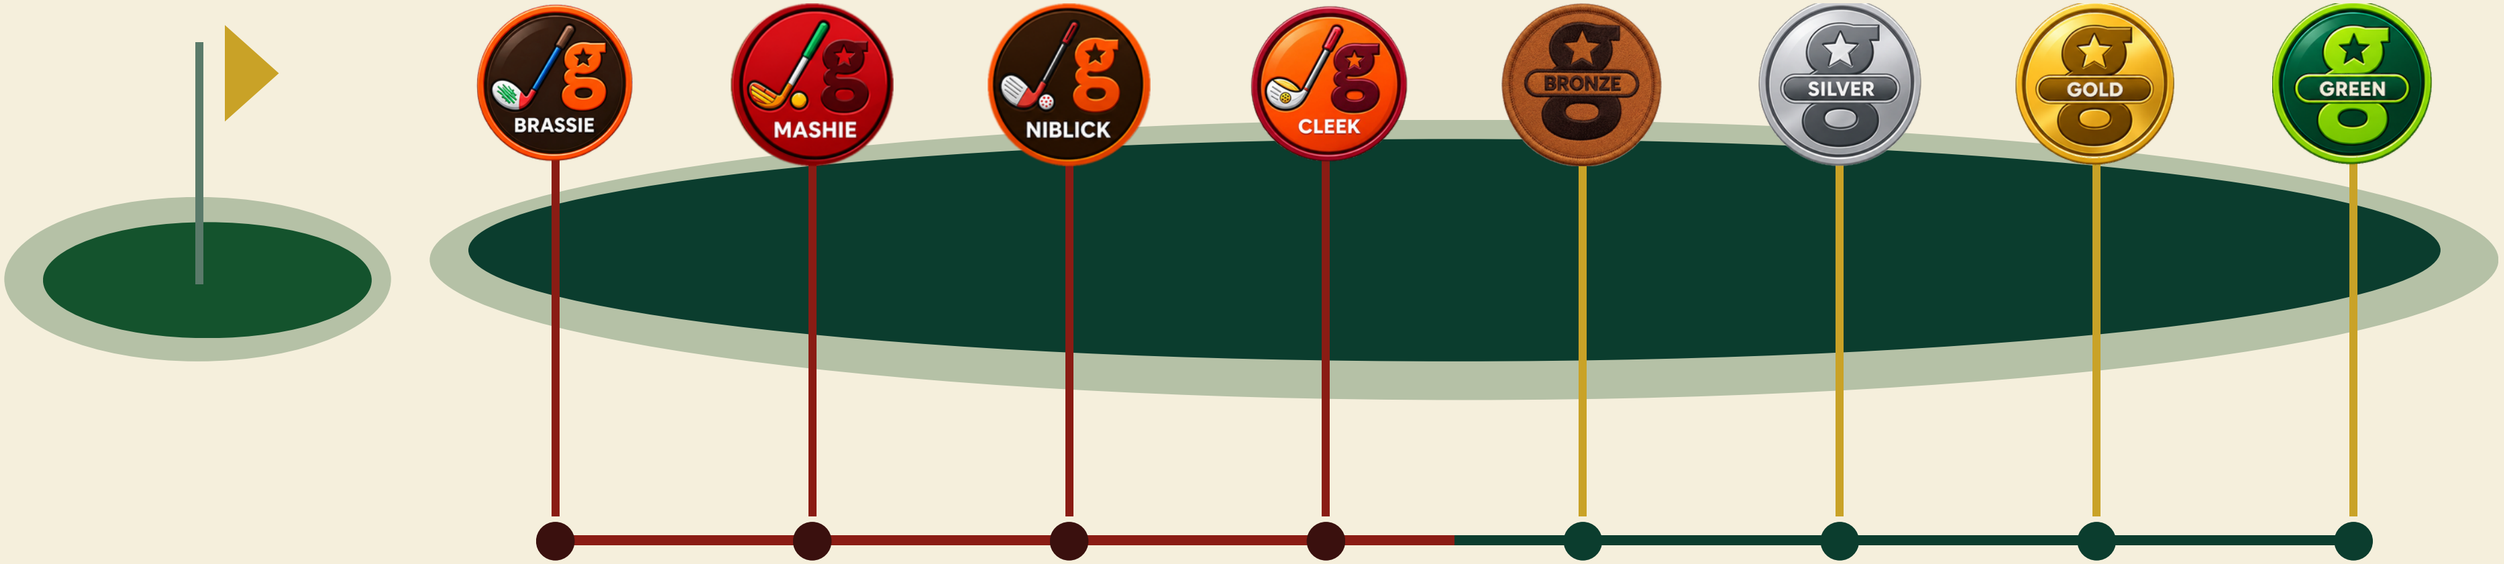

UNLOCKING POTENTIAL

LEVELS 5–8 · BRONZE → GREEN STAR

THE JOURNEY

Your Progression Pathway

Golfstars is a progressive junior golf programme designed to take children from their very first experience of golf through to confidently playing the game on the course. With fun, achievement and progression at its heart, every stage builds skills, confidence and a love of the game - while allowing children to join at the age and ability level that's right for them.
